Congress 15 – 22 January 2011

INTERSKI
DO IT FEEL IT BE IT
2011

- **Interski International**
- **Interski Austria**
- **the Municipality of St. Anton am Arlberg**

have pleasure in inviting you, under the motto

SNOWSPORTS

" Do it - Feel it - Be it "

to the International Congress on Snowsport Instruction.

Background

- Ever since 1951, friends of snowsports from all over the world have been coming together for the Congresses of Interski.
- In 1991 St. Anton am Arlberg hosted our international Congress as the cradle of skiing. 20 years on, the Congress returns to St. Anton for what is probably the most important meeting of the world of snowsports.
- In 2011more than 2,000 Congress participants will travel to Austria to contribute their expertise to the development of snowsports and to prepare the ground for the future of snowsport instruction.
- It is the mandate of the 19th Interski Congress to tackle the challenges of our fast-lived world.

Congresses 1951 – 2011

The 5 Pillars of the Congress

SNOWSPORTS
" Do it - Feel it - Be it "

- Congress of programmatic content
- Congress of communication
- Congress of new media
- Congress of networks
- Congress of sustainability

Programmatic Content

The Congress will focus on four central themes:

- **Snowsports and educational aspects/developments**
- **Snowsports for all ages**
- **Snowsports and emotion**
- **Snowsports – social environment and integration**

Each theme will be dealt with by a first-rate speaker

The central themes will provide continuity

A daily message will conclude each day

Communication, New Media

- Ambassadors of Snowsports
- Journalists, invitations
- Events (media summit, FIS-Forum, Ispo, etc.)
- Media schedule available from October 2009

- Online Congress TV
- Online daily programme
- Discussion forums, blogs, fanbook
- Online accreditation

Networking, sustainability

- Get-together events
- Space for discussion
- New media, Interski future platform
- Sponsors, partners

- Platform Interski 2015
- "Hub of Snowsports"
- Interski strives for cross-national communication, networking and sustainability
